      <h2>About Me</h2>
      <p>Hi, I’m a third-year Computer Engineering student passionate about turning ideas into
practical solutions through code. I enjoy learning how things work under the hood, whether it's
developing applications, optimizing algorithms, or experimenting with new technologies.

I believe in continuous learning and hands-on experience, which is why I actively build projects
and explore different areas of tech. I’m currently focused on strengthening my problem-solving
skills and preparing to contribute to impactful software development projects.</p>
